*HIGHWAYMAN NEATLY CAUGHT.*

*Policemen followed and took them in the*  
*Act of robbing Their Victims.*

Magnificent Crime in Centre Street Court  
yesterday, culminated in Policeman Light,  
Clarke, and Tracey of the Mulberry street sta-  
tion when they arrested James Duffy, 35 years,  
of 12th Bowery; Joseph T. Kenny, 31 years,  
of 287 Elizabeth street, and Grace White, 34  
years, or 19 Chrystie street, on a charge of  
highway robbery preferred by Herman Lang, a  
sailor on a West Indian schooner, but living at  
present at 26th Bowery. Light was walking  
through Mott street in citizen's clothes at 2  
o'clock yesterday morning when he met Police-  
man Clark. At the same time Tracey, also in  
citizen's clothes, came up.

"There's a good case for you fellows," said  
Clark to the two policemen. "See those two fel-  
lows and that woman with a drunken man in  
tow? Well, I see them come out of Saraparilla  
Kelly's place, and I believe they are going to  
rob him. I've been following them, but I am  
not in time to make an arrest."

Light took one side of the street and Tracey  
the other and followed the quartette. They  
saw them stop to drink beer at a saloon. Then  
they left them and Duffy hit Lang in the  
face. Then Kenny and the woman held Lang,  
while Duffy took his watch and was about to go  
to town. Lang was also locked up on a charge of  
intoxication, and when he was searched it was  
found he had \$700 in his pocket.

The police were called to Police Head-  
quarters and their photographs taken for the  
"Globe's" gallery. Then they were taken to  
Cane Street, where they were recognized by  
one of the policemen when Clarke, who had been  
watching from a distance, ran up, and with his  
assistance the two men were overpowered and  
tied up. They were then taken to the sta-  
tion. Lang was also locked up on a charge of  
intoxication, and when he was searched it was  
found he had \$700 in his pocket.

The prosecutor came to the station and  
had all three prisoners in court for trial. Lang  
was discharged on the charge of intoxication,  
but was committed to the House of Detention  
as a witness.

*Massachusetts G. A. R. Men on President*  
*Eaton's Trial on Old Soldiers.*

WORCESTER, MASS., Feb. 11.—At this morn-  
ing's session of the Department Encampment,  
G. A. R., there was much discussion over  
the resolution regarding President Eliot's remarks  
on the pension question, and the minute as  
originally introduced was adopted. The fol-  
lowing committee report was adopted:

"Your committee has carefully considered the  
various resolutions aimed at President Eliot  
of Harvard College, the language alleged to have  
been used in his speech to the students in regard  
of money to the pensioned soldiers and sailors. No  
leniency of judgment can find excuse for  
such an unbecoming language. It is  
entirely unwarranted, and if point of fact, is inexcus-  
able, and merits only silent contempt."
